

# Plastic Bag Reduction Program

---

Before you sign up for any other program take the time to get to know EcoPoise. We have the most comprehensive programs for small to mid-size business. With recycling programs continuously on the rise, be in the position to take advantage of our extended list of acceptable items. We don't charge for additional pick-ups and we encourage you to kick-start a full program by trying our dry bag program. You can decrease your disposal cost by increasing your recycling efforts. Being Green has never been so easy.

21212/21239/21210/21239/21209

You will get the option of text, call or email as a reminder of your pick up days. In your application process we will ask which you prefer.

We have a very extensive list for small to mid-size businesses that are looking to go green without the large price tag. Please review our list of acceptable items.

## In this case the benefits outweigh the cost:

- Reduction in dumpster cost & size
- Goodwill for your company
- Staying ahead of any additional laws or new restrictions
